Subject: ACP

Cyna,

The Governor's scheduling office alerted me to your request to speak with the Governor about the Atlantic Coast Pipeline. I am his policy advisor for energy and environmental issues and am willing to talk with you in person or by phone if you would like. My schedule is fairly open the afternoons of July 19-21. Please let me know if you would like to discuss the ACP during one of those windows. If neither of those days work for you, we can find another time.
